SPECIAL INVITATION

Dear Colleague,

We are currently developing a new Foundation Degree in Small Business Development for the South West Region. The degree will be unique and progressive in that its content will be entirely work related

In order to ensure this new and exciting Foundation Degree meets the needs of business, what we would welcome is your input into the design.

With this process in mind we have arranged a morning session at the University of Plymouth on Friday 4th March 2004 from 10.00am to 12.30 am. The meeting will be held in the Yealm Committee Room Babbage Building. Please find a map enclosed.

The session will cover an outline of the proposed Foundation Degree in Small Business from Dr Bryan Mills of the Cornwall Business School, and then we will open the floor to discussion.

Your views and opinions are valuable to us and the development process, we would warmly welcome you and any colleagues, could you please fill in the attached form and send it back to Emma Harris at CBS.

Kind Regards

Dr Bryan Mills and Jim Seligman
